

The Community Development Assistance Program (CDAP) announces the availability of the Mobility and Accessibility Rehabilitation Services (MARS) funds for FY 2011 in the amount of \$750,000. CDAP staff will provide pre-applications to units of government, based upon written requests that identify eligible families or individuals in need of assistance. Requests for pre-applications should be sent to:

DCEO
CDAP Housing Unit
500 E. Monroe, R2
Springfield, Il. 62701

Upon receiving the MARS pre-application, the unit of government would then conduct the housing unit inspections, work write-ups, bidding specifications and in house cost estimates needed for the submission of the formal application along with all other requirements standard to the MARS Program.

Once all funds allocated for the fiscal year have been obligated, no further applications will be provided until additional funds are made available. Questions regarding this process should be directed to Tim Call at 217/558-2833, Tim.Call@illinois.gov or Denis Cherrier at 217/558-2840, Denis.Cherrier@illinois.gov
